PROGRAM

STAVANGER, THE HOST TOWN

Stavanger is no one-horse town! It is one of Norway's oldest cities, and has become one of its most cosmopolitan, well-known for its busy social life, Michelin restaurants, oil industry and outstandingly beautiful scenery. A city whose history is largely connected with the sea, originally fishing, later oil. A city of culture and personalities, festivals and a pretty good football club.

In short, a remarkably vital city. This is where we will gather, to enjoy it all – and get noticed!

The meeting place is in the heart of the city, inside and in front of the legendary red wharf houses, where so many people have enjoyed memorable experiences: great concerts, wild parties and stormy romances. We will clear the outdoor spaces and create the mother of all event sites, with booths, food service, bikes and people.

ACTIVITIES

Something for everyone. Here and there. Outdoors and indoors. The meeting venue, the restaurant "De Røde Sjøhus", will host both indoor and outdoor activities during the entire rally. There will be food, drink and entertainment.

There will be a group excursion on Friday, either on bikes around the rural area of Jæren or out on the fjord and among the skerries aboard the elegant veteran ship M/S Rogaland. Special beer-tasting and dining events will be held at "De Røde Sjøhus".

On Saturday there will be a long group ride to Lysebotn. If you'd like to experience a spectacular guided ferry trip into Lysefjorden, followed by a ride up Lysebotn and back to Stavanger

on fantastic biking roads, then this is the excursion for you! Lysefjorden is one of the wildest and most beautiful fjords in Norway, surrounded by mountains rising to more than 1000 metres above sea level.

The most well-known attractions are the cliff formations of Prekestolen and Kjerag, visited by thousands of tourists every year. On the cruise along Lysefjorden you will see these two icons as well as caves, islands, mountain farms, the longest wooden staircase you have ever seen, and a wealth of wildlife: seals, goats and birds of prey. A must!

ACCOMMODATION

Our Rally hotel (main hotel), the "Victoria Hotel", is located just 10 metres from the meeting place. Always easy to reach!

We can also offer accommodation with a range of standards and prices, from basic to luxurious. The range and amount of accommodation in Stavanger is impressive, so it will be possible to find exactly what suits you best.

Visit our website booking.hog.no for all the contact information you need. We recommend that you make your reservation as soon as possible.

THE RALLY SITE

"De Røde Sjøhus" is an institution in Stavanger. For a start, the restaurant is right in the heart of the city, and besides, most people who live in Stavanger have enjoyed a memorable experience or two here. There have been so many different gatherings and events here that everybody has some connection with the place. Concerts, reviews, jazz, folk song, office parties, get-togethers,

stag and hen parties, celebrations, festivals and – you name it. And we have grown up in this place. It has "always" been here! Now it's your turn to enjoy it. The whole house.

And we're going to make the most of it. The entire car park will also be transformed into a meeting place during the HOG rally, becoming a hive of activity, with food service indoors and outdoors, booths and stages, entertainment, contests and awards ceremonies.

Imagine it – the meeting place! That's what it's all about – meeting each other. Talking together, embracing each other, sharing experiences and tall tales, admiring, teaching and reaching out to each other. This will be THE place to meet after activities and excursions – just one of many exciting events at this year's rally!

POST RIDE

Fjords, mountains and south coast charm. A little piece of Norway. Three whole days.

We will travel high and low on a fantastically varied, exciting route through a landscape created to be enjoyed from an MC saddle, to tourist attractions and experiences you will never forget, to meetings and get-togethers which will make people watching from the roadside regret that they never bought a Harley!

Our route will be: **STAVANGER – SAUDA – RØLDAL – RJUKAN – VRÅDAL – EVJE – FEVIK.**

See our separate brochure for the whole programme and a description of the route, or visit: hogrogaland.no.
